## Helpful Definitions

**Customer Charge** covers a portion of the fixed costs required to ensure that natural gas service is available to your home. This amount is the same with each bill.

**Estimated Readings** are calculated based on your typical monthly usage rather than on an actual meter reading.

**Gas Delivery Charges** are the costs of delivering the gas to retail customers. The charges for these services are regulated and these services must be purchased from Columbia Gas.

**Gas Supply Cost** includes the cost of natural gas, interstate pipeline charges, storage costs, and related charges and is passed through to customers at cost without markup.

Gas supply service may be purchased from a participating competitive gas supplier in the Customer CHOICE program.

**Mcf** is equal to 1,000 cubic feet and is used to measure your gas usage.
